

Relay Pricing and Plans

Effective 1 January 2026

Plans

Relay is licensed per technician per month. A technician licence is required for anyone who is assigned work in Relay Mobile. Office users — dispatchers, planners, supervisors and administrators — are included at no additional cost on every plan.

Prices below are in pounds sterling and assume annual billing. Monthly billing is available on Essentials and Professional at a 20% premium. Prices exclude VAT and any applicable local sales tax.

Plan	Price (per technician / month)	Technician limit	Included
Essentials	£29	Up to 25	Relay Dispatch, Relay Mobile
Professional	£54	Unlimited	Adds Relay Insights, REST API, 3 integrations
Enterprise	From £95 (custom)	Unlimited	Adds SSO/SAML, SCIM, unlimited integrations, sandbox, dedicated CSM

Add-ons

Add-on	Price	Notes
Relay Insights Advanced	£12 per technician / month	Custom dashboards, scheduled exports, 24-month history
Additional sandbox	£250 / month	Enterprise only; one sandbox is already included
Premium onboarding	£4,500 one-off	Dedicated implementation consultant for 12 weeks
Extra API capacity	£180 / month per 50,000 calls	On top of the plan allowance

What is included on every plan

- Unlimited office users
- Relay Dispatch and Relay Mobile
- Standard reports
- Mobile applications for iOS and Android
- Data export in JSON and CSV at any time
- Security updates and all platform releases

Free trial

A 14-day free trial of the Professional plan is available with no payment card required. The trial includes up to 10 technician licences and 500 work orders. Trial data is retained for 30 days after the trial ends, so an

account can be converted without losing configuration.

Billing

- Annual plans are invoiced in advance for the full term.
- Monthly plans are invoiced in advance each month.
- Payment terms are 30 days from the invoice date.
- Accepted methods are bank transfer, direct debit and corporate card. Cheques are not accepted.
- Invoices are issued in pounds sterling, euros or United States dollars, fixed at the start of each term.
- Adding technician licences mid-term is billed pro rata to the end of the current term.
- Reducing technician licences takes effect at the next renewal, not mid-term.

Discounts

- Two-year term — 10% discount
- Three-year term — 15% discount
- Registered charities and non-profits — 20% discount, evidence required
- Volume above 250 technicians — priced individually

Worked example

A distribution network operator with 120 technicians on the Professional plan, taking Insights Advanced and one premium onboarding engagement, would pay:

Line	Calculation	Annual total
Professional licences	$120 \times £54 \times 12$	£77,760
Insights Advanced	$120 \times £12 \times 12$	£17,280
Premium onboarding	One-off	£4,500
Total, first year		£99,540
Total, subsequent years		£95,040
